Mr. Jesse Miles,
84 S. Center St.,
Orange, N. J.

Dear Mr. Miles:

You may have heard by this time the Newark Eagles are planning to play a ball game on Tuesday, August 6th for the benefit of the Community Hospital of Newark. We are hoping it will be a very successful affair. It has been suggested by Mr. Butts Brown, a Member of our Committee that The Triangles might be interested in making the day an "Irvin and Pearson Day." Mr. Brown said he was sure the Mayor of Orange would be glad to cooperate in an effort of this kind. Would you be interested in handling such a movement or could you suggest to me some one who would? The customary procedure in these affairs is to make a presentation to the person in question and have something nice to say of course.

If you are interested and would like to discuss it at length with me, I would be glad to talk to you at any time. The game is only two weeks off now, which of course does not give a great deal of time to work. Will be very glad to hear from you.

Very truly yours,
